

**Board on Geographic Names
Status Table of JANIS Editing**

September 2, 1947

On file, DOI release instructions apply

Janis No.	Area	% completion	Needed to complete	Remarks
1	Iceland	55		Because of the circumscribed and relatively small area, practically all name research has been completed. However, no text has been edited.
	25X1A1A			
✓ 40	European USSR	80		Base map edited, manuscript and maps being edited, gazetteer to be typed.
✓ 41	Caucasian USSR	50		Base map edited, manuscript and maps being edited, gazetteer to be typed.
51	Turkey	42		Base map edited, manuscript and maps being edited, gazetteer to be typed.
71	S. China	80		Base map edited, manuscript and maps being edited, gazetteer to be typed.
✓ 312	Argentina	98		Gazetteer being typed. All research and editing completed.
25X6A 404		10		Base file constructed. No materials have been edited. Total cost will be lower than average. No language or source material problem. Some additional research necessary.

Recommended to P&P Staff expenditures for name research & compilation:
